RENEWED PETITION UNDER 37 C.F.R. §1.47(a)

Mail Stop Petitions
Attn: Paul Shanowski
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicant respectfully petitions for acceptance of the enclosed Supplemental Declaration under 37 C.F.R. §1.47 and MPEP §409.03(a). One of the joint inventors, William E. McKinzie III, cannot be found or reached after diligent efforts or have refused to sign the declaration for the above-referenced patent application.

10/13/2004 HRL111 0000035 10802664

01 FC:1460 130.00 DA

(A) As set forth in MPEP §409.03(b), the following are enclosed: An oath per 37 CFR 1.63 and 1.64 or 1.75;

(B) I, Anthony P. Curtis, represent Etenna Corporation ("Etenna"), the current assignee of the above-referenced patent application. I have no direct relationship with any of the named inventors;

(C) Attached herewith is my affidavit per MPEP 409.03(d) indicating the facts relating to the diligent efforts made to secure the execution of the declaration of inventor McKinzie;

(D) The last known address of inventor McKinzie is as follows:
8126 Brookwood Farm Road, Fulton, Maryland, 20759 (Home)

(E) Attached herewith is the Employment Agreement and Invention Assignment signed by inventor McKinzie agreeing to assign to Etenna his interest in any inventions jointly or solely made by inventor McKinzie during his time of employment by Etenna, thus giving Etenna proprietary ownership of the invention, as well as a facsimile of April 26, 2004 and letter of June 18, 2004 from the firm Paul, Hastings, Janofsky and Walker, who represent Mr. McKinzie, indicating that Mr. McKinzie refuses to sign a Declaration for the above-identified patent application; and

(F) This petition is necessary to preserve Etenna's rights and to prevent irreparable damage because the statutory time limit for responding to the Notice to File Missing Parts is January 2, 2005, which is approaching.

In response to the rejection of the previous petition, Applicants note that Inventor McKinzie's last known address was and remains specified in section D of this renewed petition. In addition, Applicants have included a Supplemental Declaration in which Inventor Rodgers signature and Inventor McKinzie's signature appear on the same page. Applicants have also enclosed a new Power of Attorney in which David Auckland specifies that he is the Chief Technical

Officer of Etenna Corp., the Assignee. In the telephone conversation of October 6, 2004 with Mr. Shanoski, Mr. Shanoski indicated that as Inventor McKinzie's last known address had been specified, submission of a declaration in which Inventor Rodgers and Inventor McKinzie's signatures appear on the same page and a power of attorney in which David Auckland specifies that he is the CTO of Etenna Corp. would be sufficient for the Office to grant this petition. Accordingly, acceptance of the enclosed Supplemental Declaration is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Anthony P. Curtis', written over a horizontal line.
